

AdventureScapes is a 100% polyester, anti-microbial, adhesive backed material with an anti-slip embossment. The product is ideal for wayfinding, floor graphics, decals in indoor and outdoor applications. AdventureScapes is tear and wrinkle resistant with an excellent anti-slip rating for wet and dry surfaces. The material does not shrink after printing and is engineered with a quick-drying surface that does not require lamination. AdventureScapes is solvent, eco-solvent, UV & Latex printable. Available in 54" widths.

Material Details
